1. Purpose

This policy exists to ensure compliance with the approved school uniform and appearance standards at Providence English Private School (PEPS). A smart, consistent uniform supports a sense of belonging and equality among students, reflects the professional standards of the school, and removes unnecessary distraction from the learning environment.

2. Scope

This policy applies to all students from FS2 to Year 13, and covers daily school uniform, physical education (PE) kit, outerwear, footwear, and general appearance standards. It applies during the school day, on school transport, at school-organised events and educational visits (unless alternative dress is specified for the occasion), and applies with reasonable modification to online/virtual learning where the school requires students to be visible on camera.

3. Rationale for a School Uniform

PEPS requires a school uniform because it:

- Promotes a sense of equality and belonging among students, regardless of background;
- Supports school identity, pride, and a professional learning atmosphere;
- Removes distraction and social pressure around clothing and appearance, allowing the focus to remain on learning;
- Supports safety and accountability, making students easily identifiable during the school day, on transport, and on school visits;
- Prepares students for the expectations of professional dress and personal presentation later in life.

4. Legal & Regulatory Framework

This policy is written in accordance with the school uniform and dress code guidance issued by the Sharjah Private Education Authority (SPEA) and the UAE Ministry of Education (MOE), and reflects the norms of modesty and cultural respect expected of schools operating in the UAE.

5. General Principles

- All students are expected to wear the approved PEPS uniform, correctly and in full, every school day unless a specific exception applies (see Section 16) or the school has announced a non-uniform day (see Section 14).
- Uniform should be clean, in good repair, and correctly sized, allowing the student to move, sit, and take part in school activities comfortably and safely.

6. Standard Daily Uniform

The standard daily uniform consists of the approved PEPS shirt/blouse, bottoms (trousers, skirt, or pinafore as applicable), house/school jumper or cardigan, and approved school shoes, as set out by section in Appendix

A. Uniform requirements are broadly consistent across the school, with age-appropriate variations for the Foundation Stage, Primary, and Secondary sections.

Girls who choose to wear a headscarf (sheila) as part of their uniform should wear it in the approved school colour, as set out in Appendix A.

7. Outerwear & Seasonal Items

Only the approved PEPS jumper, cardigan, or jacket may be worn over the uniform for warmth. Non-uniform hoodies, jackets, or sweatshirts are not permitted to be worn in place of, or over, the school uniform during the school day.

8. Footwear

Students wear plain, predominantly black (or as otherwise specified in Appendix A) closed-toe school shoes with the standard uniform, and appropriate sports shoes/trainers with the PE kit. Sandals, high heels, and shoes with flashing lights or excessive embellishment are not considered appropriate school footwear.

9. Religious & Cultural Dress

PEPS respects the religious and cultural dress requirements of its diverse student body. Where a student's religious or cultural practice requires a variation from the standard uniform — for example, wearing an abaya, sheila, or other modest dress — this is accommodated within the approved uniform colours and standards of the school wherever possible.

Parents wishing to request an accommodation on religious or cultural grounds should contact their child's Section Supervisor, who will work with the family to agree an appropriate arrangement consistent with both the family's needs and the school's uniform standards.

10. Hair & Grooming Standards

- Hair should be clean, neat, and tidy, and kept off the face so it does not interfere with a student's ability to see their work or take part in activities safely (e.g. Physical Education, science practicals).
- Long hair should be tied back, particularly for Physical Education and practical lessons.
- Boys are expected to keep facial hair neatly trimmed in line with school and cultural norms, particularly in the Secondary section.

11. Jewellery, Makeup & Accessories

- Jewellery should be kept to a minimum for safety reasons; small stud earrings are permitted, but large or hooped earrings, necklaces, bracelets, and rings are discouraged, particularly where they pose a safety risk during Physical Education or practical lessons.
- A wristwatch is permitted.
- Make-up, false eyelashes, and nail polish are not permitted, consistent with a professional learning environment.

- Religious jewellery or symbols may be worn discreetly, subject to safety considerations, in line with the school's commitment to inclusion.

12. Non-Uniform / Spirit Days

From time to time, the school may announce a non-uniform or 'spirit' day (for example, to support a charity event or a themed school celebration). On these occasions, students should still dress modestly and appropriately, in line with the general standards of the school, and any specific guidance issued for the day via Nexsquare.io.

13. Exceptions & Reasonable Adjustments

PEPS recognises that some students may require a reasonable adjustment to the standard uniform on medical, religious, cultural, or additional-needs grounds — for example, a student of determination who requires adapted footwear, or a student with a medical condition requiring a specific fabric or fit.

Requests for a reasonable adjustment should be directed to the Section Supervisor, who will liaise with the Inclusion team and/or Student Counsellor as appropriate, in line with the school's Inclusion Policy, and confirm the agreed arrangement in writing to the family.

14. Roles & Responsibilities

Parents & Guardians

Are responsible for ensuring their child arrives at school each day in the correct, clean, and properly fitting uniform, and for purchasing replacement items promptly as their child grows or items wear out.

Students

Are expected to wear the uniform correctly and with pride throughout the school day, and to take care of their own appearance in line with this policy.

Section Supervisors & Teachers

Monitor uniform compliance on a daily basis, address concerns promptly and sensitively, and are the first point of contact for uniform-related queries or requests for adjustment.

15. Non-Compliance Procedure

Where a student arrives at school out of uniform, the school's response is proportionate and supportive rather than punitive in the first instance, recognising that non-compliance is often unintentional or linked to a genuine circumstance (e.g. a uniform item in the wash, a recent growth spurt). The general approach is:

- A first occurrence is noted informally by the Section Supervisor or teacher, with a reminder given to the student;
- Where non-compliance continues or is repeated, parents are contacted via Nexsquare.io to understand the reason and to agree a resolution;
- Persistent, unexplained non-compliance is addressed in line with the stepped approach set out in the Behaviour & Discipline Policy.

Full escalation steps are set out in Appendix B.

16. Monitoring & Policy Review

This policy is monitored by Section Supervisors and reviewed periodically by the Vice Principal to ensure it remains practical, inclusive, and aligned with SPEA and MOE expectations.

Appendix A: Non-Compliance Escalation Steps

Step	Stage	Action
1	Informal reminder	Section Supervisor/teacher notes the issue and reminds the student; no formal record made.
2	Repeated occurrence	Parents contacted via Nexsquare.io to understand the reason; support offered if needed (e.g. financial assistance, sizing).
3	Persistent/unexplained	Section Supervisor meets with parents to agree a resolution and timeline.
4	No improvement	Escalated to the Vice Principal and addressed under the Behaviour & Discipline Policy.

This appendix should be read alongside the Behaviour & Discipline Policy.
